

## A Call to Action – Let Your Voice Be Heard

We ask our city officials for the completion of the Mira Mesa Community Park Phase 2 renovations and the Phase 3 expansion of the Gil Johnson Recreation Center. We have been waiting over 20-years for these long-awaited upgrades, and during that time, Mira Mesa has outgrown our current resources which are neglected and unable to handle the community needs. No more delays! No more broken promises!

We urge you to follow through on the promised improvements to Mira Mesa Community Park, our Central Park in the heart of Mira Mesa, by delivering the following:

1. **Expansion** of the Phase 3 improvements to the Gil Johnson Recreation Center must include what was originally promised to the community over the last 20-years: Construction of a **new** 15,000 sq ft facility adjacent to the current Gil Johnson Recreation Center.
2. **Prioritize funding and building** of the new recreation center in Mira Mesa Community Park, our Central Park, with a full-sized gymnasium, as per the General Development Plan published on the City of San Diego's website.
3. Build the Mira Mesa Swimming Pool in Mira Mesa Community Park as part of the already funded Phase 2 renovations.
4. Renovate and upgrade the existing Gil Johnson Recreation Center building as promised.
5. Remove the appropriation of **\$1 million dollars** from the **Mira Mesa Community Fund** to fill the funding gap for the Phase 2 renovations of Mira Mesa Community Park.

This money is to be used for public improvements in Mira Mesa as identified by the community including previously earmarked funds for the development of Arts and Culture by adding a Performing Arts and Auditorium in the Mira Mesa Epicentre.

6. Expedite and approve the bidding process for the Phase 2 renovation at Mira Mesa Community Park so construction begins during the summer of 2024.
